

TILL NOW
I CAN STILL
CLEARLY
RECALL

YOU,
WITH
DIGNIFIED
EYES WHICH
COLLECT
LIGHT,
ARE
JUST LIKE

Shining Star

TE-CHAN.

FU

FATE-CHAN.

TAKING A
LOOK AT THE
SECRET
PLACE LEADS
TO THIS

"Stop..."

I WONDER IF
THIS PLACE IS
GOOD?

SHINJI:
IT'S A SECRET

WIND:
REACHING
THE THING
YOU WANT
ME TO SEE
IS IT?

"Wind..."

WIND:
SHINJI, YOU
WANT ME TO
GO?

SHINJI:
WIND, YOU
WANT ME TO
GO?

-LOOK,
UP THERE!

...
-BUT IT'S
DARK HERE
SO WATCH YOUR
FOOTING...

A PLACE
WHERE THE CITY
LIGHTS WON'T
REACH...?

OK...

FATE-CROWN

...IT'S PRETTY,
RIGHT?

ONE
WANTING TO
BE
A
GIRL
WITH
STARS

THIS IS
ONE OF MY
FAVORITE
PLACES.

ALTHOUGH IT'S
A LITTLE COLD
TONIGHT. THE SKIES
ARE CLEAR AND THE
STARRY SKY IS
EVEN PRETTIER
THAN USUAL...

BA-THUMP...

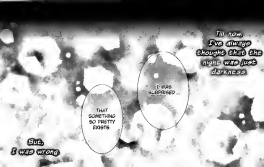

...SORRY...

SOMEHOW I
JUST FEEL SO
SOLICITED...

FATE-GHAN
...?

At now,
I've always
thought that the
night was just
darkness

I WAS
SCORCHED...

THAT
SOMETHING
SO PRETTY
EXISTS

But,
I was wrong

Leading
me

So the
light

Gently..

Warmly..

The
stars
in the
sky

will
always
shine
consis-
tently

Hay

Nanoha

You are
just like a
star

Thank you very much for reading till here!
This story came to be, since I wanted to draw the
changed "friendship" status of Nanao-chan and Fate-chan
after rewatching the movie.

In addition, this also fulfilled my wish of
drawing a story about the stars.
Stars are good... I really like them!
I will never forget the starry sky
I saw the last time I went camping.
It was so beautiful I couldn't help crying
at the sight of it.

This way, the memories that Nanao-chan and
Fate-chan share will stay vivid in their hearts.

Next time I will draw more NanoFate love love stories.
It would be a pleasure to see everyone again then.
